# IRIS GARDEN

1706 QUEEN AVENUE NORTH  
MINNEAPOLIS 11, MINNESOTA

Phone  
CHerry 3004

## GREETINGS FOR 1952

TO OUR MANY FRIENDS AND CUSTOMERS:

Your very encouraging response of last year makes possible the continuation of this price list. It has always been our foremost desire to supply hardy, vigorous plants that we are reasonably certain will grow and bloom for you. All plants sold are guaranteed to be true to name and to reach you in a healthy, living condition; however we cannot guarantee them to live under circumstances beyond our control.

The best way to select any garden plant is to see it in bloom. Our garden is always open during the blooming season and you are cordially invited to come in and make your personal selection at that time. Orders will also be taken over the telephone or by mail. The minimum order accepted will be \$3.00. Plants will be delivered at the proper planting time, usually July or August. Cultural directions will be included with each order.

The iris varieties listed within this folder have been grown and tested by us for several years and have proven extremely hardy and floriferous under Minnesota climatic conditions. Unfortunately, space limitations demand that the following descriptions be kept as brief as possible, therefore we can't possibly describe the full beauty of each individual variety, no two of which are exactly the same.

WE ARE MEMBERS OF:

- THE AMERICAN IRIS SOCIETY  
(Accredited Judge)
- THE TWIN CITY IRIS SOCIETY
- THE DWARF IRIS SOCIETY
- THE MINNESOTA STATE HORTICULTURAL SOCIETY

OUR GARDEN IS STATE  
INSPECTED EACH YEAR
